Annual Report of the Senior Golf Association of Northern California

ORIGIN OF
SENIOR GOLF ASSOCIATION OF NORTHERN CALIFORNIA
by
Brace Carter

As the sole surviving Charter member of Senior Golf Association of Northern California it seems to me that a brief resumé of the origin of the Association might be of interest.

On a cold foggy day in September, 1928, the final round of the Senior Championship tournament conducted by the Northern California Golf Association took place at the Presidio Golf Club, San Francisco.

There were sixty-three participants in the competition and upon completion of play all departed at once for their respective homes. This was during the period of Prohibition and alcoholic beverages were not available at the Club.

A group of four convened in the locker room over a bottle of Scotch, and discussed the situation. The four included John G. Sutton, Horace Guittard, J. E. (Jack) French and Brace Carter, then Secretary of the Northern California Golf Association.

The consensus of opinion was that something should be done at once to introduce a spirit of friendly congeniality among those golfers of senior age. It was then decided to form an association comprised of senior golfers and at once a committee comprised of a dozen senior members of different clubs in Northern California was appointed to contact members of their clubs who were eligible in age — originally fifty years minimum.

The enthusiastic reception was unbelievable and in less than three months three hundred applicants were on the roster.

The initial tournament and organization dinner took place in June, 1929 at the Burlingame Country Club. Two hundred and thirty competed in the tournament and attended the dinner at which time a constitution and by-laws were adopted. John G. Sutton was unanimously elected to the office of President and the organization was on its way with flying colors!

REPORT OF THE OUTGOING PRESIDENT

The 49th Annual Senior Golf Association of Northern California Tournament has been successfully held at two of Northern California's outstandingly beautiful golf courses, Claremont Country Club of Oakland and Orinda Country Club of Orinda.

This was our second event using the two course concept and judging from the member response this appears to be a solution to gaining full member participation, 200 members played to make this our best attended tournament to date.

A special thanks to William (Bill) Barlow and John (Jack) Bannister who so ably arranged all the details for us, also to all of their associates for their assistance.

We are extremely grateful to the Board of Directors and members of both Clubs for the privilege of using their excellent facilities. We would also like to thank the Club Managers and their fine staffs for providing us the wonderful food, beverages and Club House services, also the Club Professionals and their staffs who so ably cared for and assisted us with the Tournament.

Our year was saddened by the loss of Brace Carter, our Honorary Chairman, principal founder and dedicated leader of the organization throughout these many years. We will all feel this loss over the coming years. A proper Memorial has been established in his memory to be initiated at our 50th Anniversary Tournament next year in Sacramento.

My special thanks to each and every member of the Board of Governors and all committee chairmen for their service and assistance. A very special thanks to Alta Somers, our dedicated assistant secretary whose faithful hard work and precise handling of details made this tournament a successful reality.

The year (1979) will be our Golden Anniversary year with our tournament appropriately being held in our State Capital.

My very best wishes to Carlton Dawson our incoming President for a very successful year. It has been a special privilege to have served you as President. I am grateful to those who made it possible to have had this rewarding experience.

Sincerely,

Elmer A. Schreiner
